Teak / Natural Finish

Choose From a Variety of Custom Options:

Multiple design configurations and sizes, including hinged single and pairs, sliders and bi-folds

An assortment of wood species, all selected from managed forests to ensure environmentally responsible manufacturing

Flawless finishes ranging from hand-distressed to mirror-smooth

Single-tempered, laminated and insulated glass panels in a number of patterns and finishes

Sound dampening—ideal for the library, home theaters and media rooms

Specially hand-crafted wine cellar doors to house your favorite vintages

Fire-rated doors for added protection in case of emergencies

Prince William Cherry / Claret Finish

Select Your Doors in Six Easy Steps:

1. Select a door style.

Smooth-face doors are offered in a variety of patterns, as shown in the top row.

Stile and rail designs are available in glass and wood or with louvered panels, as shown in the bottom row.

2. Choose a wood species.

We offer premium quality Teak, Prince William Cherry, Mahogany or Ash

3. Pick your finish.

We offer a wide selection of standard finishes and can also custom-match to coordinate with existing furnishings.

4. Measure and tally your doors.

We recommend grouping by configuration: single, pair, pocket, bi-fold and slider.

5. Request a quotation using our online quotation request.

6. Schedule an appointment for a free-consultation.
